

# INVITATION

On behalf of Michael Latimer, Jackpot Committee Chair for Agribition, the Texas Longhorns have been invited to participate in the all breed First Lady Classic and the President's Classic in Regina this fall. It's a big step for the Texas Longhorns to be included in these events, and here's hoping that breeders will be interested in participating and bring their best to the show ring.

It is a haltered event for yearling heifers and current year bull calves. The animals will be shown in their own breed classes and the class winners will move on to the final round against all breeds. It's an opportunity to showcase the Longhorns to all those that attend Agribition.

We have asked for more visibility for our breed in the past two years, and they have listened to our concerns.

Look through your yearling females and keep watching for that baby bull that could win it all!

I'd like to thank the Jackpot committee of Agribition for their invitation, and look forward to being part of the all breed classics.

Deb Lesyk

CTLA President

Canadian Western Agribition — Regina, Saskatchewan

*Celebrating 50 shows* • NOVEMBER 22 - 27, 2021
