

January 2022

Annual TLBAA meetings were held in Ft. Worth on the 14th. Keith Dubose was re-elected as President, Vice President Johnny Hicks, Secretary Stephen Head and Treasurer Kevin Rooker.

Deb Lesyk was elected as the Region 2 representative for Division A, her new area will also include the upper eastern portion of the US. Concerns or questions can be sent to her by email or text.

Meetings went well numerous concerns about the Horn Showcase from 2021 and the TLBAA Foundation. These will all be addressed by the Board at upcoming meetings. There is also a group working on updating the breed standards and the format that will be shared with all members The financials looked very good. The financial report will be in the March TRAILS.

In the Affiliate meeting prior to the board meeting there was lots of discussion on how to get everyone going again. The last two years have been difficult for many of the smaller affiliates. The remote meeting for all the Affiliates for 2022 will be in Rapid City, South Dakota in August. The CTLA has some work to do, and we need to have the annual meeting in February probably by a Zoom call. Our books and our officers need to be updated and plans discussed for any 2022 events.

Will be scheduling a CTLA Directors meeting for late January. ATLA, can you update me on how things are going with your affiliate and when your last annual meeting was held?
